

Introducing...

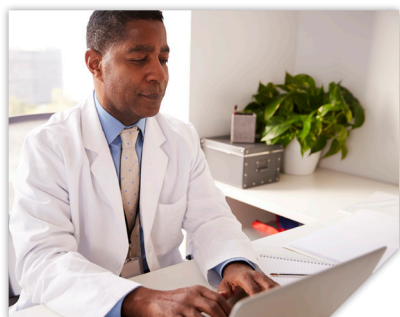

Lachman OnCall™

GMP Teleconsulting for the Life Sciences

GET THE **ANSWERS**
AND **GUIDANCE** to
your most pressing
questions faster
than ever before.

➤ WHAT IT IS:

Lachman Consultants is announcing the launch of **Lachman OnCall™** Good Manufacturing Practice (GMP) Teleconsulting to provide faster responses to clients' urgent life science questions.

Lachman SMEs have extensive knowledge covering a wide range of scientific, technical, and compliance-related topics, offering valuable advice quickly as the need arises. **SMEs are available Monday through Friday from 9:00 am – 5:00 pm ET**, and generally respond within 2 hours on weekdays, and within 24 hours of requests made outside normal business hours, including weekends and holidays.

➤ HOW IT WORKS:

Booking a teleconsultation with our SMEs is simple. Once you submit your question and information, a Lachman expert will contact you within two hours. **Response times may vary depending upon the volume of requests.**

Whether your question requires 15 minutes or 4 hours, Lachman's team is here to help. Per the OnCall Terms of Service, once the call is completed your credit card will only be charged for the actual time incurred for your consultation in 15 minute increments.
